Counsel.

In furtherance of our discussions this morning, and in the interest of giving the parties sufficient time to work out the scope of HP's production prior to seeking the Court's intervention on these matters. I enclose for your information and file: (1) Nonparty Hewlett-Packard Company's Amended Notice of Motion to Modify Subpoena and for a Protective Order; (2) Amended [Proposed] Order Granting Nonparty Hewlett-Packard Company's Administrative Motion to File Under Seal Unreducted Pages of Exhibits to Declaration of Angelique Kaounis in Support of Motion to Modify Subpoena and for a Protective Order; and (3) ECF Registration Information Handout. I have not had a chance to confirm that this date will work for my client, so it may be subject to change. However, because the clerk asked us to submit a notice of hearing since the case had been assigned, I wanted to get this on file. Please let me know if you have any questions regarding this matter.

Thanks very much,

Angelique

NOTICE IS HEREBY GIVEN that on September 11, 2007, at 10:00 a.m., or as soon thereafter as counsel may be heard by the above-titled Court, located at 280 South 1st Street, San Jose, CA 95113, Nonparty Hewlett-Packard Company ("HP") will, and hereby does move the Court to modify the scope of the Subpoena served by IBM on HP in the underlying action (the "Subpoena").

HP hereby moves this Court, pursuant to Federal Rule of Civil Procedure 45, for an order limiting the scope of the Subpoena served by IBM on HP in this action, on the grounds that the Subpoena: (1) is overly broad on its face, and therefore fails to allow reasonable time for compliance; (2) seeks disclosure of privileged or other protected matter; (3) subjects HP to undue burden; and (4) requires disclosure of a trade secret or other confidential research, development, or commercial information. For these reasons, and because HP's counsel had acted in good faith, HP further moves this Court pursuant to Federal Rule of Civil Procedure 26(c) subdivisions (2), (3), (4) & (7), for an order that that the discovery be had only on the specified terms and conditions of, by the method set forth, and subject to the objections in HP's Objections and Responses to the May 31, 2007 Subpoena (filed concurrently herewith as Exhibit G to the Declaration of Angelique Kaounis).

The Motion referenced herein is based on this Notice of Motion, and HP's Motion and accompanying Memorandum of Points and Authorities, the Declaration of Angelique Kaounis and Request for Judicial Notice (all previously filed on July 2, 2007), and on all pleadings and papers on file in this action, and upon such other evidence and arguments as may be presented to the Court at the time of the hearing.
